

**Green Fields/Green Towns Update: Fall 2009**  
**North Wales Borough Hess Park Improvement Project**  
**Green Infrastructure Grant Approved 2007**  
**Construction Proposed 2009-2010**

*Right - Final master plan for development of Hess Park; start of construction scheduled for Fall 2009*

*Above - Master Site Plan report completed for Hess Park in 2006*

**GF/GT Green Infrastructure Grant:**

**•Total Project Cost: \$376,000**

•County Grant: \$212,250

•Matching Funds: \$136,000 PA DCNR; \$22,750 Borough; \$5,000 Private Donation

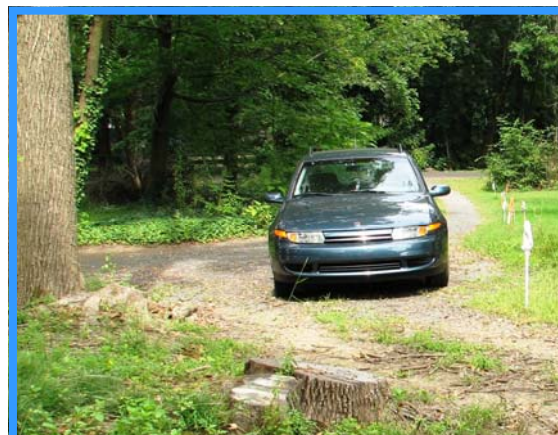

**Project Description:**

- 1.5-acre open space parcel currently unimproved; previously acquired by Borough with County open space funds
- Property has been cleared except for variety of medium and large shade trees
- Master planning process included significant community input; concept balances public use and preservation
- Node for future community trail system

**Green Fields/Green Towns Update: Fall 2009**
